

EMERGENCY PREPAREDNESS

AS3745 Compliance Training

Our AS 3745 Compliance Training helps achieve compliance in accordance with relevant legislation and eliminates the stress of uncertainty when responding to an emergency.

Included as part of your training, we assess your risk; explain your statutory obligations; develop a response plan; train your people; and can provide instant online access to your current compliance documentation.

Our substantial bank of knowledge, research and experience accrued over the years in the field of fire safety and emergency response is the foundation to our comprehensive and expertly delivered range of services.

We deliver training in-person or online via our SPOT or live webinar platform, to ensure occupants are fully prepared for any potential emergency. Choose the option that is most suitable for you and your business.

Our Compliance Training packages can be delivered over two or three separate sessions over the course of a year.

Package Outline

Included in our AS 3745 Compliance Training are the five compliant essentials – Chief Warden Training, Warden Procedures, Assisted Evacuation Exercise, Emergency Planning Committee (EPC) Meeting and Emergency Skills Procedures.

Who should attend?

This package is specifically designed for Chief Wardens, Deputy Chief Wardens or Emergency Coordinators and Wardens who are required to respond to any type of emergency in the workplace.

Package Inclusions

- Options to have training conducted in person or online
- Online access to all relevant compliance records via Webconnect
- Ongoing Warden information updates via email
- Unlimited Chief Warden & Management support upon request, including post-incident debriefs and continued training
